

**Water Cycle Readers Theatre Script**  
**(Molly Cule and the Water Cycle: A Fairy Tale’)**  
 Developed in a workshop with Dr. Rosalind M. Flynn by Teachers at  
 Fruitville Elementary School \* Sarasota, Florida

1	Once upon a time	All	[sound effect] [gesture]
All	[sound effect]	5	From a river to a bay.
2	There was a little drop of water named Molly Cule.	All	[sound effect] [gesture]
All	[sound effect]	6	From a bay to the ocean
3	Molly Cule lived in the Cool Condensation Castle in the Clouds.	All	[sound effect] [gesture]
All	[sound effect] [gesture]	1	The sun beat down on Molly Cule and her drippy friends.
4	She lived with a whole village of her drippy friends.	All	[gesture][sound effect]
All	[sound effect] [gesture]	2	They felt dizzy and light-headed!
5	One day, Molly Cule and her friends were very cold.	All	[gesture][sound effect]
All	Brrrr! [gesture]	3	All of a sudden, they started floating up into the sky.
6	They all clung to each other causing...	All	[gesture] [sound effect]
All	[gesture] CONDENSATION!	4	Like a gas!
1	They got very heavy.	5	in the air!
2	The doors to the castle flung open.	All	EVAPORATION!
3	And all the little droplet friends	6	When they got way up in the air,
4	tumbled out of the cloud.	1	They floated around and around
All	[gesture] PRECIPITATION!	All	[gesture]
5	They went down	2	Before they knew it,
1	Down	3	They were all back in the Cool Condensation Castle in the Clouds.
2	Down.	All	[gesture] [sound effect]
All	Splash! [gesture]		[Look around at one another in recognition.]
3	Into a stream they rained.		At least for a little while!
All	[sound effect] [gesture]		
4	They rolled from a stream to a river.
